

Car Seat Installation & Inspections

Car Seat Inspections

The Greater Round Lake Fire Protection District currently has 3 members who are National CPS (Child Passenger Safety) certified technicians. This certification is a 32+ hours course that cover the different aspects of the car seats and the vehicle restraint systems along with hands on skills.

According to the National Highway Traffic Safety Administration (NHTSA) 59% of car seats are installed incorrectly.

Please fill out form at bottom of page to have your seat checked.
