

FIRE LIFE SAFETY

Fire Life Safety

The Greater Round Lake Fire Protection District is responsible for ensuring the safety of the citizens of our community and those who visit. This is accomplished through:

- Code Enforcement.
- Conducting Fire & Life Safety Inspections.
- Public & Private School Inspections.
- Plan Review for Life Safety & Fire Prevention Matters, Fire Suppression & Detection Equipment Installation.

If you have any questions, need assistance with, or are looking to schedule an appointment for any of the above, please contact Fire Marshal Tony Breuscher at [tbreuscher \[at\] rfire.org](mailto:tbreuscher@rfire.org).
